

Engage.

"Marquette encourages me to reach out to different groups of people and the community."

Lauren Ginger

Senior in Speech Pathology and Audiology

BELONG.

Lauren wants to make working with kids her career. Her speech pathology courses and volunteer work with autistic children help her realize that dream. She knows it's her way of making a difference. At Marquette, you'll find opportunities to follow your dreams — on campus and beyond.

Learn how you can be a part of the Marquette difference at www.marquette.edu. To chat with an admissions adviser, plan your visit and receive a guide to the Marquette experience, call **800-222-6544**.
